

Voter Attitudes in the City of Oakland

Key Findings from a Citywide Voter Survey Conducted October 24-29, 2017

Fairbank, Maslin, Maullin, Metz & Associates – FM3

PUBLIC OPINION RESEARCH & STRATEGY

Voter Survey Methodology

- ✓ 503 telephone interviews with voters likely to cast ballots in November 2018 in Oakland
- ✓ Interviews conducted October 24-29, 2017
- $\checkmark\,$ Interviews on landlines and cell phones
- ✓ Margin of sampling error of +/- 4.4% at the 95% confidence level
- ✓ Some percentages may not sum to 100% due to rounding
- ✓ Includes select tracks from prior voter surveys

Business Survey Methodology

- Presentation includes select questions from a survey conducted among Oakland businesses by the Oakland Chamber of Commerce
- Many questions paralleled those in the voter survey
- ✓ 355 businesses responded to the survey
 - 265 were at-large businesses
 - 90 were Chamber of Commerce members

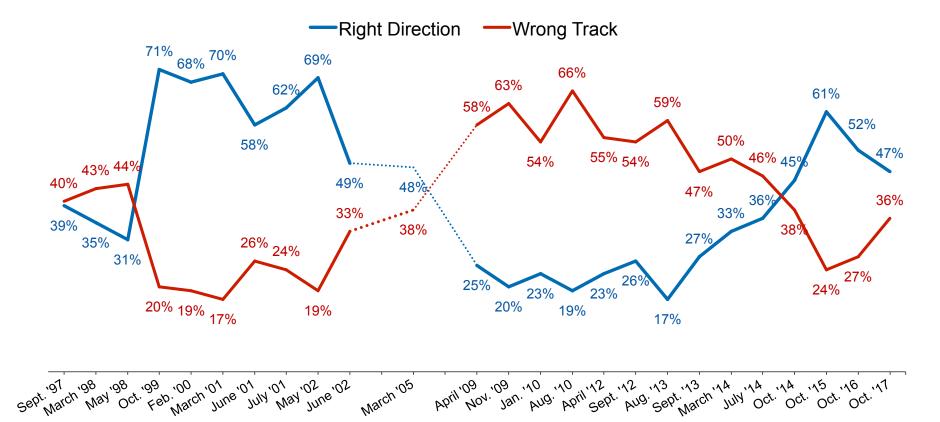

Views on Life in Oakland

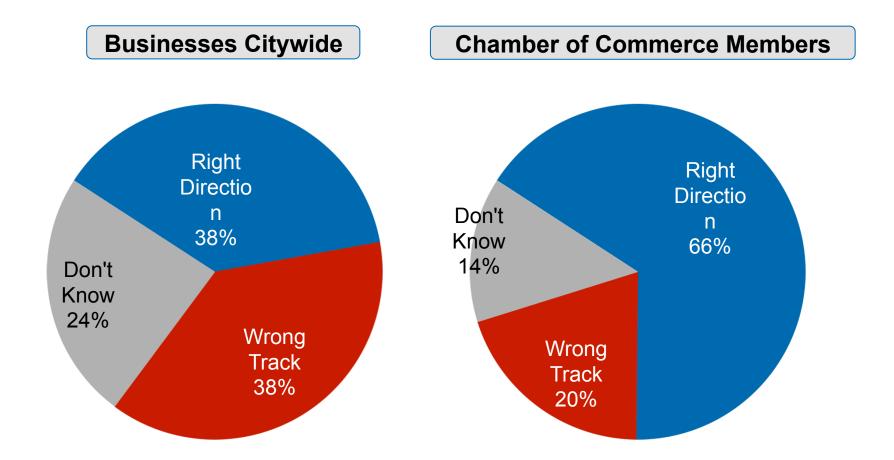

A plurality – but now less than half of voters thinks Oakland is headed in the right direction.

Would you say that things in the City of Oakland are generally headed in the right direction, or do you feel that things are off on the wrong track?

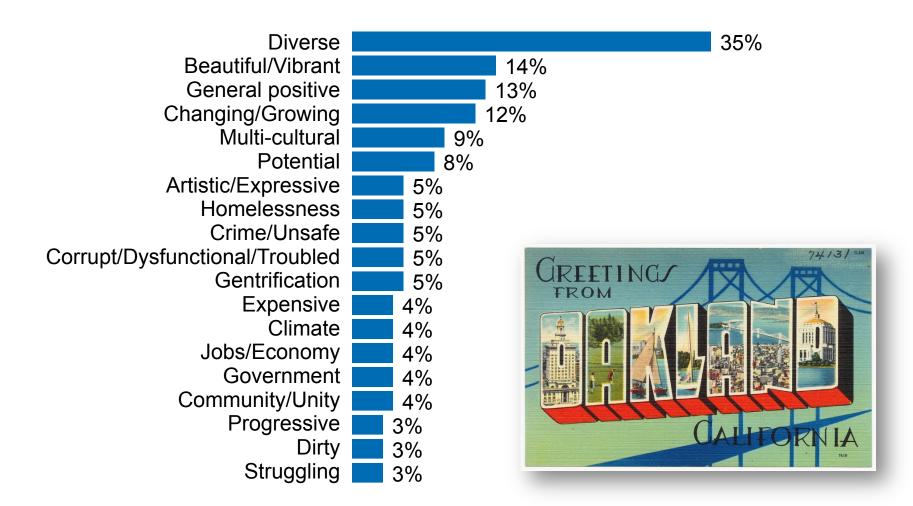

Q1.

Chamber members are particularly optimistic about the direction of the City.

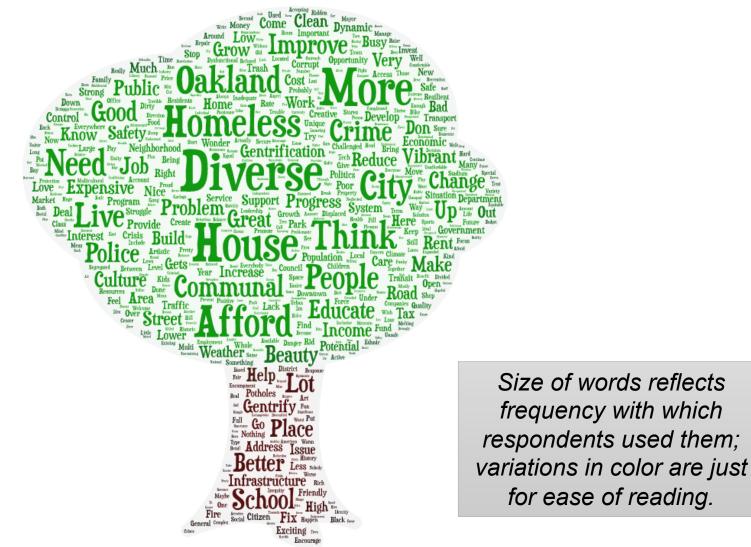

Over one-third describe Oakland as "diverse."

Please tell me two or three words or phrases that you think best describe Oakland.

The words voters used most often to describe Oakland are...

Fairbank, Maslin, Maullin, Metz & Associates – FM3 PUBLIC OPINION RESEARCH & STRATEGY

"Good weather," "diverse," and "artistic" are the terms voters think describe Oakland best.

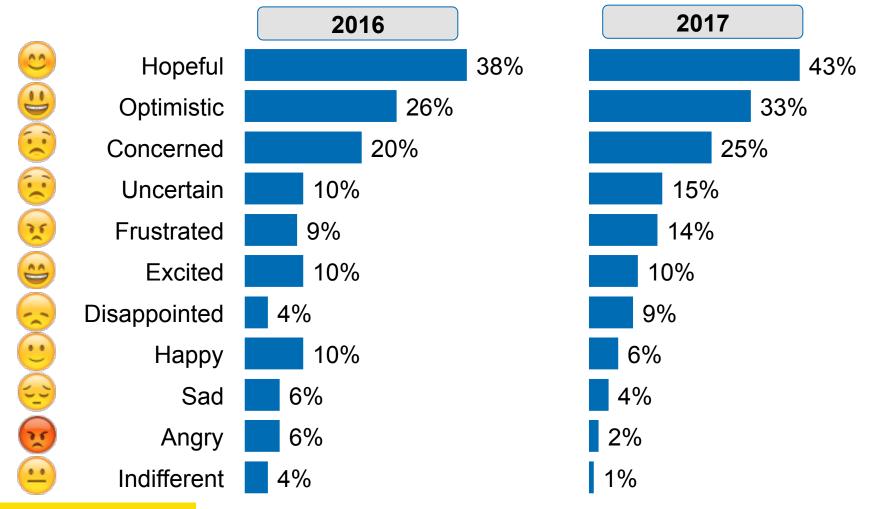

I am going to read you some words and phrases that might describe Oakland. Please tell me whether you think each of the phrases below describes Oakland very well, somewhat well, not too well, or not at all well. If you don't know, you can tell me that, too.

Verv Well	Swmt. Well	ot Too Well.	Not at A	All Well 🗖 🛙	Don't Know	Total Well	Total Not Well

Fairbank, Maslin, Maullin, Metz & Associates – FM3

Over the past year, voters are increasingly "hopeful" and "optimistic," but also more "concerned," "uncertain," "frustrated" and "disappointed."

Please listen to the following list of feelings and emotions, and tell me which one or two best describe how you feel when you think about the future of Oakland.

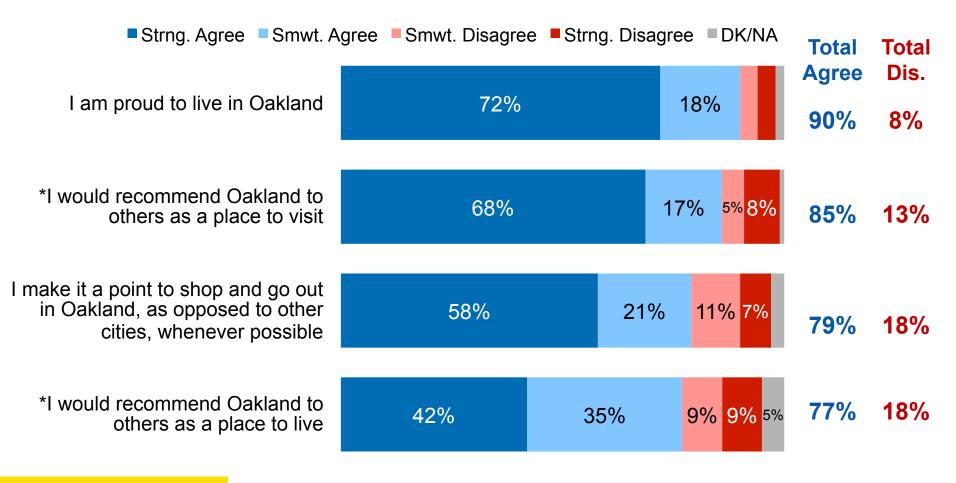

Fairbank, Maslin, Maullin, Metz & Associates – FM3 PUBLIC OPINION RESEARCH & STRATEGY

Q12. Please listen to the following list of feelings and emotions, and tell me which one or two best describe how you feel when you think about the future of Oakland.

Nine in ten take pride in living in Oakland and majorities would recommend it as a place to visit and/or live.

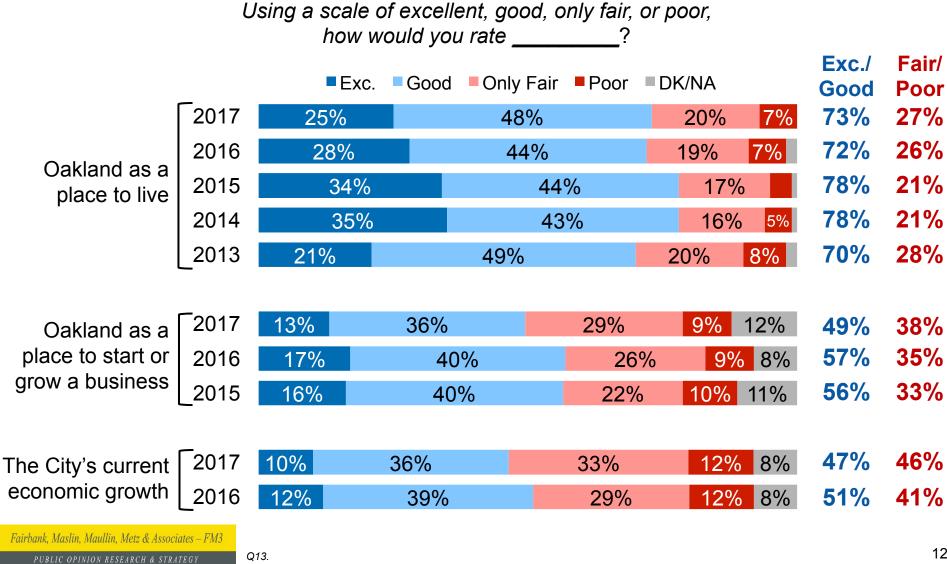

I'd like to get your opinion on a few more issues in Oakland. I am going to read you a series of statements. Please tell me if you agree or disagree with the statement.

Overall Perceptions of the City

Voters' perception of Oakland as a place to live is consistently positive, but their perception of it as a place to start a business is more mixed.

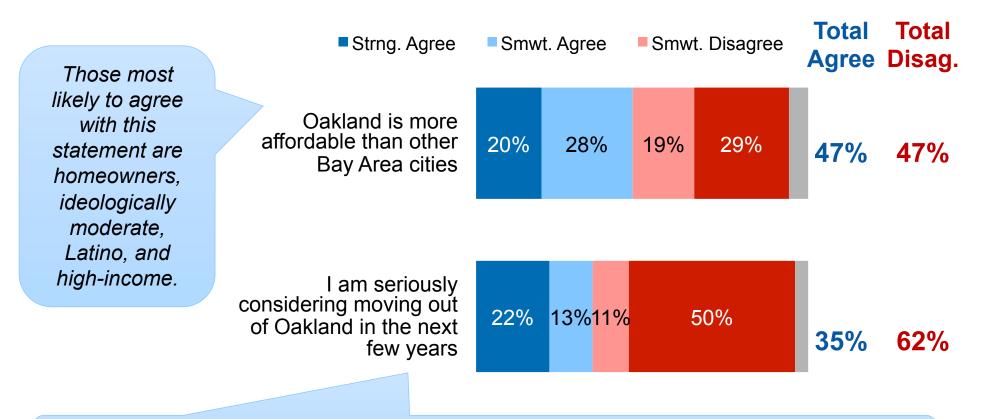

Homelessness is perceived as the most serious problem facing the city, by far.

Ext. Ser. Prob. Very	Ser. Prob.	Smwt. Se	er. Prob. 🗖	Not a Pro	b. DK/NA	Ext./Very Ser. Prob.
Homelessness	51%			42%		92%
A lack of housing that middle-income families can afford	37%		409	40%		77%

The cost of living	32%)	33%	29	9% 6%	65%
The condition of local streets and roads	25%	3	3%	35%	6 8%	57%
Crime	15%	30%		48%	6%	45%
Unemployment	18%	23%	L	42%	8% 9%	41%
Traffic congestion	15%	24%	4	4%	17%	39%
The amount you pay in property taxes	20%	13%	31%	20%	16%	33%
Too much growth and development	7% 11%	34%		459	%	18%

Q14. I'm going to read you a list of things some people say may be problems facing Oakland. Please tell me whether you think it is an extremely serious problem, a very serious problem, a somewhat serious problem, or not a problem for Oakland residents.

Voters are ambivalent about Oakland's affordability relative to other cities; but two-thirds would not consider moving.

Voters most likely to agree with this statement are renters, women, in their 30's, and those who perceive that Oakland is becoming less safe or that the economy is getting worse.

Fairbank, Maslin, Maullin, Metz & Associates – FM3 PUBLIC OPINION RESEARCH & STRATEGY

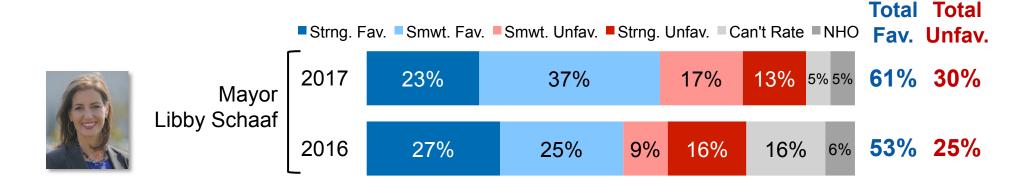

Q26. I'd like to get your opinion on a few more issues in Oakland. I am going to read you a series of statements. Please tell me if you agree or disagree with the statement. *Split Sample

Attitudes Towards Oakland City Government

Voters view the Mayor favorably by a two-to-one margin.

I'm going to read you a list of people and organizations. Please tell me if you have a strongly favorable, somewhat favorable, somewhat unfavorable, or strongly unfavorable opinion of that person or organization. If you have never heard of one, please say so.

Maslin, Maullin, Metz & Associates – FM3

Q2 a/b.

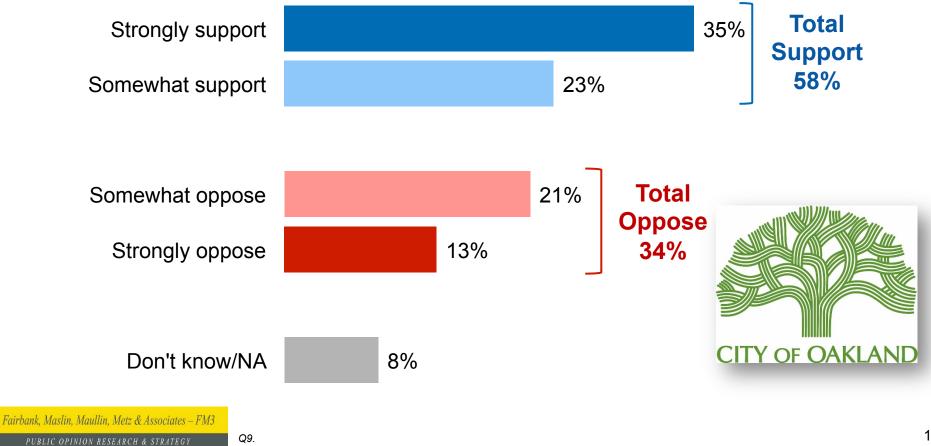

Majorities of business owners and Chamber members also view the Mayor favorably.

I'm going to read you a list of people and organizations. Please tell me if you have a strongly favorable, somewhat favorable, somewhat unfavorable, or strongly unfavorable opinion of that person or organization. If you have never heard of one, please say so.

	Businesse	es Citywide	Chamber of Commerce Members			
	Total Favorable	Total Unfavorable	Total Favorable	Total Unfavorable		
Mayor	57%	34%	77%	20%		
City Council	32%	54%	57%	32%		

A majority of voters is willing to support City Council term limits.

There are currently no limits on the number of four-year terms Oakland City Councilmembers can serve on the council. Some people have proposed a limit of two four-year terms for Councilmembers. Does this sound like something you would support or oppose?

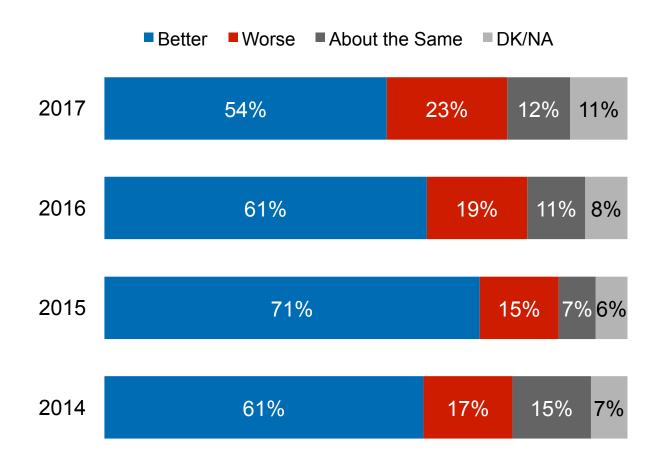

Oakland's Economy

A majority feel that the economy in Oakland has improved in the last year.

Thinking about Oakland's economy, would you say Oakland's economy is better than a year or two ago, or would you say it is worse?

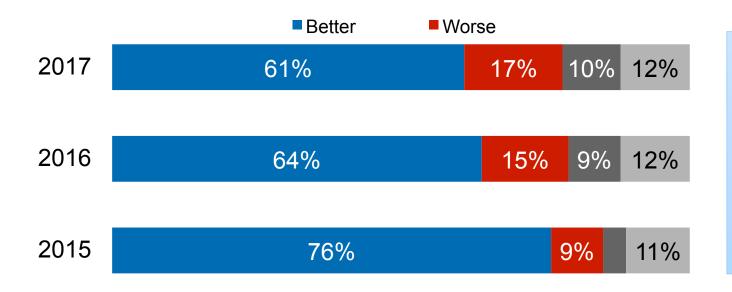

44% of businesses citywide and **68% of Chamber members** feel the economy has improved over the past year.

Three in five believe that the economy will be better one year from now.

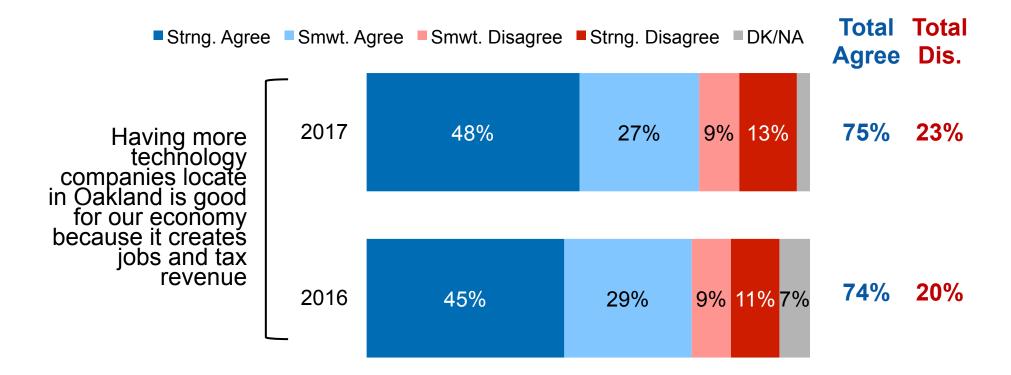

And do you think Oakland's economy will be better or worse one year from now?

40% of businesses citywide and 53% of Chamber members feel the economy will be better a year from now.

Voters consistently feel that the growing number of technology companies in Oakland is positive.

73% of businesses citywide and 77% of Chamber members feel that having more technology companies locate in Oakland will be good for our economy.

22

Development and Housing

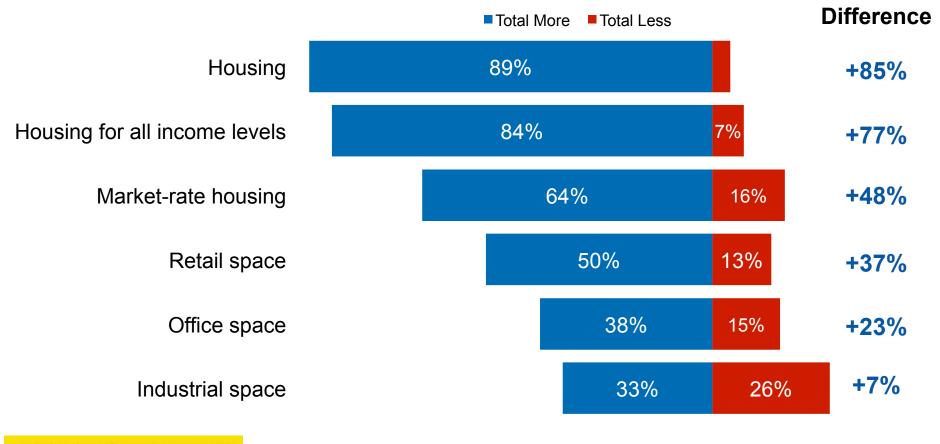

Voters view the rate of housing development as "too slow."

Do you think the rate of housing development in Oakland is....?

When asked about different types of development, voters saw a need for more housing of all types, retail space and office space.

I am going to read you a list of different types of real estate development that may take place in Oakland. Please tell me whether you think Oakland needs more, has the right amount, or needs less of that type of development.

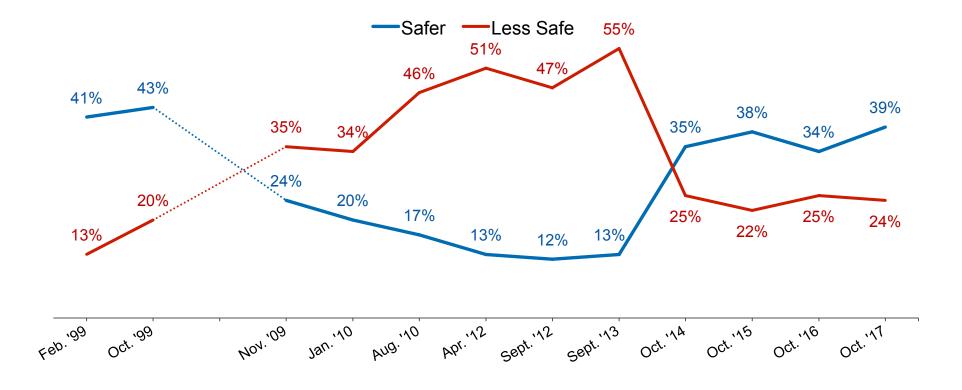

Public Safety

Voters increasingly feel safe in Oakland.

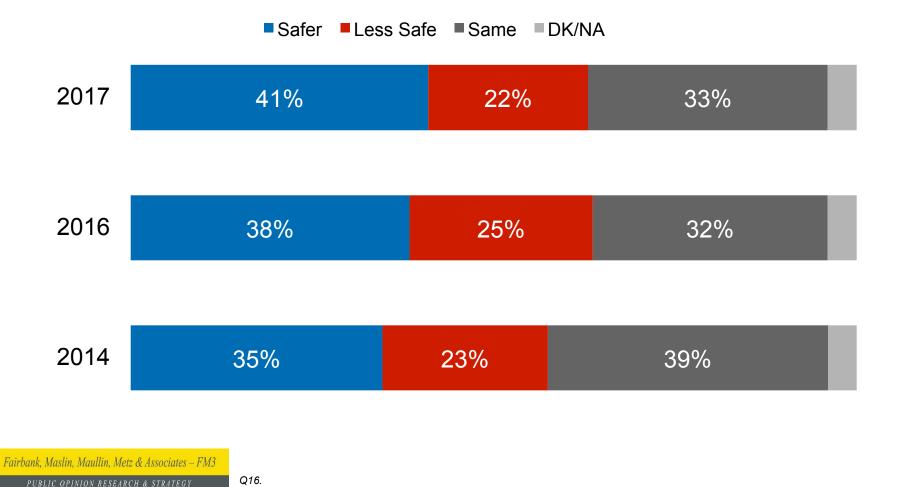

Would you say you feel safer today in <u>Oakland</u> than you did a year or two ago, or would you say you feel less safe?

52% of businesses citywide and **69% of Chamber members** feel safer today in Oakland than a year or two ago.

Perceptions of neighborhood safety have been slowly but steadily improving.

Would you say you feel safer today in <u>your neighborhood</u> than you did a year or two ago, or would you say you feel less safe?

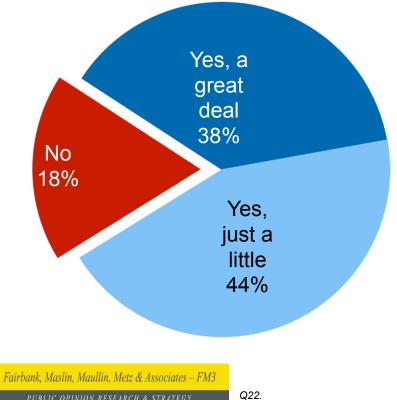

Voter Attitudes Toward a Proposed Oakland A's Stadium

More than four in five voters have heard about the proposed Oakland A's stadium.

Have you heard, seen, or read anything recently about the Oakland A's proposal to build a new stadium close to downtown?

Total Yes 82%
